Old Idar,

You are a terrific football player, & will have an undefeated football season next year! You are bound to make all-state. next year. Don't forget the time you put the "Big M" into reverse instead of low and ended up on the lawn. Lots of luck with "the new picture" in the future.

Nick.

CLASS OF 1961:

You are Spartans . . . this is an honor to be cherished.

The Spartans carried their wounds in front . . . they never ran away from their enemies.

The Spartans were doers . . . they never conjured up sixty-five reasons why something could not be done.

The Spartans believed in themselves . . . just one person really believing in an idea can get it off the ground.

This is our wish for you . . . May you always be Spartans!

F. W. Deasy

Education is a never-ending process. For some of you more formal education is about to follow, for others your education now becomes a tool by which you will make a place in society.

The value of a man is measured by what he gives. This is your challenge, "to make society better for having lived."

The Class of '61 has worked hard and had fun in its school years. We step into the world far better able to face our problems because at Brentwood High School we have been trained to live. We realize that we owe much to our teachers for their patience, help, and advice. David Warner, our class president for four years, also deserves our gratitude and admiration. Dave directed us in many worth-while projects and planned the good times we had at class activities and parties. In our senior year he led us in a campaign to keep the cafeteria clean and orderly. Under him we were also the first class to hold regular monthly meetings. Our class loyally cheered on our teams in victory or defeat, and we produced the athletes who led us to victory in our senior year. We sincerely hope that in all we have done we have lived up to the fine standards of the classes before us, and that we have set an example which the underclassmen will be proud to follow. Now we leave Brentwood reluctantly, but with the knowledge that we are prepared to take active places in today's society.

The Junior Class, sponsored by Mr. James D. Trovato, led the school in many activities this year. After officers were elected and a steering committee appointed in October, the Juniors immediately began on their projects which included sponsoring the sale of tickets for the Activities Play, the Senior Class Play, and all the basketball games. The class also planned a sports night to entertain everyone. The main attraction of the evening was a basketball game between the KQV High Hoopers and boys from Brentwood's Junior and Senior classes. The program was concluded with a co-educational volleyball game. Their big social event was their class party held on March 17. All the Juniors can be proud of the worthwhile activities that they sponsored this year.

stage guild

The Stage Guild, directed by Mr. James R. Means, efficiently operates the mechanics of school performances. They were in charge of lighting effects, microphones, props, curtains, and scenery for the plays, risers for the music programs, and the general set-up for many other performances held in the auditorium. Frank Mihalovich worked as president of the organization.

pep club

Assisted by the work and guidance of Mr. James D. Trovato, the Pep Club completed its second successful year. The organization sold tickets for the football and basketball games, sponsored after game dances, and decorated the cafeteria. Pep Club members wore special letters to all the games and sat together in a cheering section. The officers, pictured here, were: Les Branchen—president, Janet Machin—vice president, Emily Pudup—secretary, and Bob Henrich—treasurer.

ushers' club

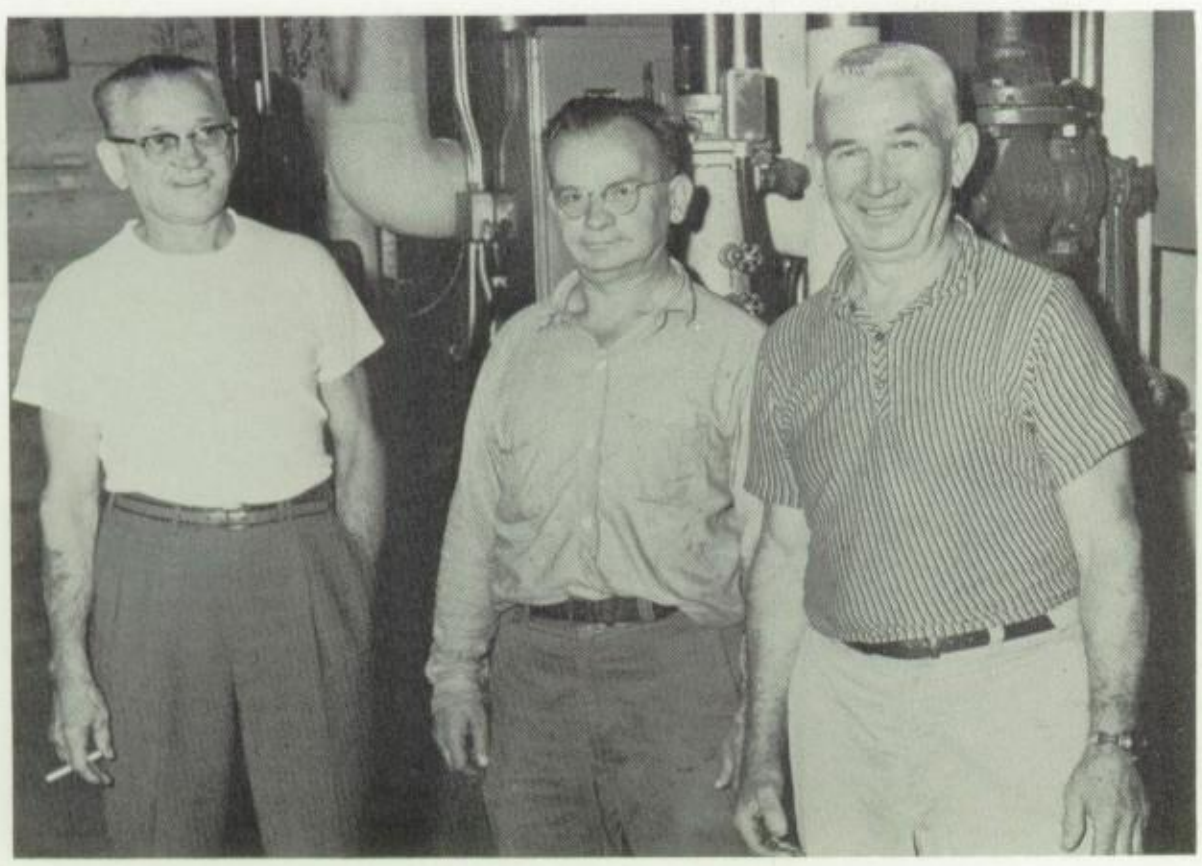
The girls who belong to the Ushers' Club give up their free time to work at football and basketball games, school plays, and other school programs where their services are needed. Mr. Sanford E. DeBerry sponsors the group. Melissa Entress is senior usher and is aided by junior usher, Jeanne Wilkinson.

office aids

The Office Aids use their study halls to help in the offices of the principal and superintendent. These girls type, run errands, take attendance, and answer the telephones. They free the secretaries for more important work and help keep the school running smoothly.

cafeteria

Because of the planning and preparation done by Mrs. Hester Mohler and her staff, the students were served delicious and nourishing food throughout the year.



custodians

With the aid of new boilers and a modernized boiler room (pictured in the background) custodians Carl Reinhart, Joseph Flosnik, and Francis Garvey kept the building warm during the winter. They also saw that the building was clean throughout the year. The students appreciate the fine work they have done.

activities play

The Activities Play cast, directed by Mr. C. D. Chappel, rehearsed earnestly to make "Father of the Bride" a huge success. This play, a three act comedy, was based on the book, "Father of the Bride," by Edward Streeter, and was adapted for the stage by Caroline Franche. With the guidance and experience of their student director, Leslie May, the cast presented the play on December 8.

Football 1961

The 1960 Brentwood High football squad finished the season with a record of five wins, one tie, and three losses. Coached by George Radosevich, Bertil M. von Philp, and Richard D. Barclay the team pushed across the goal line for twenty-one touchdowns and one hundred forty-one points. This is the best record for Brentwood in ten years.

The team started powerfully by upsetting Monongehela, the first double A victory in the history of our school. The Spartans next whipped Carrick thirty-four to six, the highest score run up against an opponent in eighty-one games. The team went on to edge Chartiers-Houston in a last minute thriller and beat Snowden and Burgettstown. The boys felt that their best playing was done in the second half of the Thomas Jefferson game when Brentwood scored fourteen points against a strong T.J. team and held them scoreless.

The school pays tribute to the team members and coaches whose efforts and ability produced such a fine season record.

Basketball

Five seniors and one junior were active participants on the 1961 basketball squad. The seniors were working as a team for the third year. Leading the team was Bob Henrich who in his junior year set the school scoring record for one game with 48 points. George Steinbaugh and Robbie Brown supplied the strength and height to clear the banking boards. Moving the ball on the outside were Jimmy Shannon and Don Henciak who were small but quick. One welcome advantage for next year's team will be the return of Bob Douglass, an experienced junior. Coach William P. Douglass also looks forward to the return of Jim Artman, Dave Lewis, George Bender, and Bob Parks who will form the nucleus for the '62 team.

The team had a tough schedule playing the best class A competition. In December Brentwood invited Charleroi, Mt. Lebanon, and North Braddock to its first Holiday Tournament. Although Charleroi was favored, Brentwood came through to capture first place. Bob Henrich was selected as one of the five outstanding players in the tournament. Brentwood finished second in its W.P.I.A.L. section, losing only three games.

track

Again this year Brentwood's track team is a powerful contender for the W.P.I.A.L. Class B championship. Last year the team finished a highly successful season with a record of nine wins, losing only to a powerful Shadyside Academy team. This year returning lettermen Russ Slogan and Bob Smiley run the hurdles, and George Steinbaugh enters the broad jump and 220-yard dash. Bob Jenison and Dave Warner are contenders for records in the 440-yard dash and one-half mile race, respectively. Jim Lauderbaugh and sophomore letterman Jack Rozzo run the mile. The relays are entered by Bill Linn, Bob Jenison, Russ Slogan, George Steinbaugh, and Dave Warner. In the field Darryl Lewis represents Brentwood in the shot-put, and Bob Smiley throws the discus. Around the nucleus of last year's team, coaches Donald P. Anderson and George Radosevich are confident that the track season will be the climax of the sports year.

J. V. Basketball

The Junior Varsity basketball squad provided Brentwood rooters with many exciting performances during the season. Under the coaching of James D. Trovato the J.V.'s trained to replace this year's seniors. Juniors Roy Monsour and Ron Bursey and sophomores Rich Ryan, George Shannon, and Jack Rozzo formed the nucleus for the team and will be playing varsity ball next year.

Junior High Basketball

Coached by Robert W. Schwille and George J. Reed, the junior high basketball team showed wonderful potential for varsity fame. Mr. William P. Douglass, varsity coach, is especially watching freshmen Joe Curtain and Bob Stasko who he hopes will develop into Brentwood stars.

This year the Cross Country Team finished with a record of seven wins and four losses against stiff competition. The team was sparked by sophomore Jack Rozzo with his record breaking performances. Jack finished fourteenth in the W.P.I.A.L. title meet and ran in the State Finals. The team will lose seniors Jim Lauderbaugh, Bill Linn, Dave Warner, and Leonard Hickman who were great assets to the team this year. However, returning lettermen will form a nucleus for next year's Cross Country squad.

Harry,

I promised you I'd write a lot and I will. First of all I want to say that no matter what anybody says I love you.

We've really had fun and I hope we'll always be together like this. There's so many things I could say to remember, but I know I don't have to because you'll remember.

I know we're going to have fun forever. (I promised you the day we got back together that I'd never give your ring back and I won't!)

Boo, always remember me and some of my stupid ideas on how you should act. I never want to try and change you because I like you the way you are. So if I say anything about how you should act, pick my ear or hit me or something. I had to fit that in somewhere. I'm running out of things to say because you know how I feel.

We've got a lot to look forward to in our Senior year. And I promise to behave myself at the Prom and I'll always be good and not be mean to you because I don't know what I'd do without you. I'd probably take to the nearest bridge

and pick my ear as I jumped off the railing.

I hope we finally get to go to a ball game some time this year. But I had fun getting wet and walking with you in the rain. Just like L.C.L.!!

I'm very proud of you honey, for playing football and everything you do. I want to make you happy always!

This writing is pretty muddy, so I'll just finish this page. If I think of anything I forgot I'll write some more.

All my love

Harry,

To a real great kid. You, Georg and Nick ought to terrorize them next year. Maybe we'll go all the way. I hope so. We'll have the best Team that Brentwood has ever turned out. Always remember the "ridiculous" Algebra classes. Read confused me more than anything else. Next year we'll tear the school down. Maybe, then, there will be a lasting memory.

To a great kid and the toughest lineman in the class of '62. I mean it. And that includes your little brother I guess he's pretty good too. Always remember Diff. You might be the dumbest History student, but you give him a hellava good argument. And, I suppose, if you worked you could get Straight A's. Brentwood is never going to forget the Class of '62. Especially after we tear down the school. And on graduation night we'll have a bonfire. The school will be the source of fuel. Hellava good idea, wouldn't you say? Well Big Har, good luck and let's hope the Class of '62 is really the greatest Class B.H.S. has ever known.
